Here are the more interesting Costco statistics I was able to dig up. As always, I will be addin updating these periodically as I find new stuff. Be sure to check back regularly.

It's hard to believe that a membership-only warehouse store could become the second largest retailer in the world, but Seattle's Costco has accomplished just that. Costco ranks among the retail giants like Walmart and Target and has a very loyal membership base.

So just how big has Costco become in their more than 30 years of operation? Let's find out…

Costco Facts
